

TERMS & CONDITIONS FOR THE 2020 SASKATCHEWAN BLUE CROSS GO OUT & PLAY CHALLENGE

1. COMMUNITY PARTICIPATION

All Saskatchewan communities are eligible to participate in the Saskatchewan Blue Cross Go Out & Play Challenge with the **exception** of the previous year's grand prize winner. Previous year's grand prize winner is ineligible for one year only.

A community can register only one project in the Challenge.

Recognized community associations in Regina, Saskatoon, Moose Jaw and Prince Albert are eligible to participate in the Saskatchewan Blue Cross Go Out and Play Challenge. More than one association can enter in each of the cities.

To enter the Challenge, a community must submit a completed registration form and the supporting documentation. Saskatchewan ***in motion*** must receive completed registration forms by **11:59 p.m. CST on February 7, 2020. No late submissions will be accepted.**

To be eligible to participate in the Challenge your community must do three things:

1. Review the Challenge rules and have the community Mayor or Chief sign the Challenge registration form, which states that the community agrees to abide by all rules of the Challenge.
2. Complete the registration form, which will require a detailed description of:
 - what program, project or initiative your community would take on with \$10,000 to increase opportunities for children, youth and families to be active outdoors.
3. Mail or email (to info@saskinmotion.ca) the registration form, a photo of the Mayor or Chief signing the Challenge registration form, a photo of your community, and all the information requested in the registration form.

2. ALL CONTEST PRIZE MONEY MUST BE USED TO INCREASE OPPORTUNITIES FOR CHILDREN, YOUTH AND FAMILIES TO BE ACTIVE OUTDOORS

Eligible* programs, projects or initiatives must address one of the following priorities:

- Increasing physical activity in the community by creating programs, places or spaces for children and/or youth to be active outdoors.
- Developing active and safe routes for children and youth to walk to school and other destinations. Projects may include using education, awareness and community mobilization to encourage and develop active transportation routes.
- Creating initiatives, which engage children and/or youth and/or families to create awareness, build leadership or volunteerism to inspire active outdoor play.

*Prize money cannot be used for indoor facility upgrades. If the project or initiative submitted is deemed ineligible, Saskatchewan ***in motion*** will advise the community contact and request an alternate project be submitted.

3. CHALLENGE RULES FOR CREATING AN INDIVIDUAL PROFILE TO LOG PHYSICAL ACTIVITY MINUTES

- Each individual may create only one profile, which includes unique personal information. One profile can be created from a specific computer address and the address will be recorded. You will be required to provide your home address, postal code and phone number in addition to your email address. Saskatchewan ***in motion*** will monitor all profiles to ensure that individuals do not create duplicate profiles.
- Children, who are 13 years of age at the start of the Challenge, may create an individual profile to participate in the Challenge.
- Children under 13 may be part of a family profile. See section 5.
- Before creating a profile, individuals must read, understand and agree to abide by all the rules and regulations of the 2020 Challenge.
- Each person can allocate only their personal physical activity minutes, up to 120 minutes a day.
- Participants do not need to be residents of Saskatchewan or the community where they are allocating their minutes.
- By creating an individual profile you consent and agree to give Saskatchewan ***in motion*** permission to collect and use this personal information to administer the Challenge.

4. CHALLENGE RULES FOR CREATING A FAMILY PROFILE TO LOG PHYSICAL ACTIVITY MINUTES

- Each family may create only one profile that will request unique personal information. One family profile can be created from a specific computer address and the address will be recorded. You will

be required to provide the number of people in your family, your home address, postal code and phone number in addition to your email address. Saskatchewan *in motion* will be monitoring all profiles to ensure that individuals and families do not create duplicate profiles.

- Only a parent or legal guardian can allocate the minutes of physical activity of their child (or children) in a family profile.
- Children under 13 may be part of a family profile.
- Saskatchewan *in motion* recognizes that some older adults do not have access to email therefore families may include up to a maximum of 4 grandparents.
- Parents, grandparents and children who are part of a family profile may not create a separate individual profile.
- To be eligible to create a family profile, individuals must read, understand and agree to abide by all the rules and regulations of the 2020 Challenge.
- By creating a family profile you consent and agree to give Saskatchewan *in motion* permission to collect and use this personal information to administer the Challenge.
- A family can allocate up to 120 minutes of physical activity per day for each family member.
- Participants do not need to be residents of Saskatchewan or the community where they are allocating their minutes.

5. CHALLENGE RULES FOR REGISTERING MINUTES WITH A COMMUNITY OR COMMUNITY ASSOCIATION PROJECT/INITIATIVE

Communities that meet all of the eligibility criteria will be featured on the Saskatchewan Blue Cross Go Out & Play Challenge website on February 14, 2020.

- Individuals can create a personal or family profile as of 12:01 a.m. on February 14, 2020. Any minutes added before the challenge start will be cleared as all accounts will start at zero on March 1, 2020. Minutes won through Early Bird registration will stay (See prizing section).
- Each individual or family member can allocate up to 120 minutes a day, which may include physical activity done at home, at school, or in the community both indoors and outdoors.
- Each individual or family group can log in multiple times between 12:01 a.m. and 11:59 p.m. CST each day during the challenge, and can add minutes each time, until the maximum of 120 minutes of physical activity is reached. The sole determination of time will be the SBC Go Out & Play Challenge website server.
- Each individual or family group is responsible to enter their physical activity minutes **each day of the challenge**. Missed physical activity minutes from previous days cannot be added. **Only the current day's minutes can be submitted.**
- Schools cannot allocate the minutes of physical activity done by their students. Parents/guardians must enter minutes for children under the age of 13 in a family profile.
- Once minutes have been allocated to a specific community or community association, the minutes cannot be withdrawn or transferred.
- Community rankings will be shown on the website, but the actual number of minutes allocated to individual communities will not be shown.
